

**Austin United Capital Soccer Club Financial Aid Application
Fall 2009 Soccer Year**

The Austin United Capital Soccer Club (AUCSC) grants a limited amount of financial assistance to qualified soccer players based on financial need. The AUCSC adheres to the principle that qualified soccer players should be able to become members of the Club despite financial limitations. The applicant must demonstrate financial need annually so that eligibility of aid (if any) can be determined by the AUCSC Financial Aid Committee. In addition to demonstrated financial need, the applicant must show they are in good standing with the Club, School, and Community. The AUCSC Financial Aid Committee uses the information requested, and may seek additional comments from the applicant, the family, the coach, and the team manager to determine eligibility for financial aid. **The AUCSC grants assistance based upon financial need.** The grant of financial aid does not waive a member's volunteer commitment to the Austin United Capital Soccer Club. **Any financial aid recipient and his/her family are expected to participate in the Club's volunteer activities.**

Financial aid awards are reviewed throughout each season. The Austin United Capital Soccer Club reserves the right to withdraw any awarded financial aid at any time if the recipient fails in any way to adhere to the policies and procedures of the Financial Aid Program or the Austin United Capital Soccer Club. AUCSC may use government statistics regarding AMFI (Average Median Family Income) for Austin area, when determining need.
